**Instructions to Reviewers:**

1. All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a security order recommendation.

2. The attached copy of the application, any copies made therefrom and this form must be returned to the PTO once a recommendation not to impose security has been made or a security order has been rescinded.

**Time for Completion of Review:**

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a security order.

The USPTO publishes patent applications 18 months from the date the application is filed. The USPTO will delay the publication of an application if it is determined that the application contains information that is a defense against the application of 35 USC 181. In such a case, the application will be published 90 days from the date of referral to the USPTO. This application will be published for publication 6 months from the filing date or 90 days from the date of referral, whichever is later, unless a response is provided to the USPTO regarding the application's recommendation to the imposition of a security order.
